A team representing Warwickshire County Athletics Association took part in an Inter Counties athletics match at Cudworth, South Yorkshire on 9th September 2007.

The team comprised 46 young athletes, in the Under 13 and Under 15 age groups, drawn from 8 Clubs across the County.

Despite the fixture coming at the end of a long, hard season of competition, those youngsters continued to improve and produced 26 new individual best performances.

As usual, the competition was intense and for much of the day the overall Team result was in doubt. Eventually, however, the strength in depth of the Warwickshire side took its toll and they won the Team trophy by a convincing margin. (Now held for the 5th consecutive year and the 8th time from our 9 participating seasons.)

Overall, the Team gained 24 wins, 21 runners up spots and 10 third places over the 74 events. They won 3 of the 4 Age Group sections and collected 4 of the 8 individual 'best performance' awards.

I attach a list of Warwickshire performances and a results.
