FOREWORD and WELCOME

By Margaret Murphy, President of Warwickshire County AA

I welcome you to our 2025 Cross Country Championships, hosted this year by Worcestershire County Athletic Association, at Warley Woods. This is a popular venue for both competitors and spectators providing varied and challenging courses and great viewing.

This annual championship event is completely planned and run by unpaid volunteers. My thanks go to those who have given their time to organise and set out the various courses, and to those who officiate on the day in various roles, including the marshals around the course.

The finish area officials and team working on results will endeavour to produce details as quickly as possible. Individual medals will be awarded near the registration tent as soon as possible following each race. Team results take a little longer so please bear with us. All trophies need to be signed for please.

County Championships are a good guide to team managers when they select athletes to go forward to the UK CAU Championships. These are due to be held at Wollaton Park, Nottingham on March 8th 2026. Details on the team selection process are in this programme.

We are grateful for the sponsorship of race numbers by Coventry Runner, 223 Burnaby Rd Radford, Coventry, CV6 4AX. Tel: 024 7666 8498. <https://www.coventryrunner.co.uk/>

Vince Wilson - Sportswear Deals will be in attendance at the park with his mobile running shop selling discounted running spikes, training kit and spike pins.

Warwickshire still has a vacancy for a Trophy and Awards Secretary, this could be a shared position covering either Track & Field and/or Cross Country. The role involves arranging for trophies to be awarded at the respective championships. If you wish to find out more or to volunteer your help then please contact Eric Fowler, county secretary via secretary@warwickshireathletics.co.uk

I wish you a successful and enjoyable day. Please respect the venue and take your rubbish home with you so we may be invited back on another occasion.

Margaret Murphy

President of Warwickshire AA

Under 11,13 and Under 15 races will in effect run concurrently. At the finish runners will use the same funnels and the results system will separate the athletes into two races for the results.

**** The rules for the senior age groups are different for the two Counties.

Warwickshire: have separate individual and team awards for seniors and masters. The women count 3 and the men count 4 towards the team awards. Masters are 35 and over.

Worcestershire: have separate individual awards for seniors and masters but a team award for the combined age groups. The women count 3 and the men count 6 towards the team award. Masters are 40 and over.

TEAM SELECTION for INTER-COUNTY CHAMPIONSHIPS

Today's Championships are the principal criteria for selection to the Inter Counties Cross Country Championships (all age groups) to be held at Wollaton Park, Nottingham on 7th March 2026.

If you are handed an invitation form at the finish, it is important that you fill it in and return it to the team manager handing them out or the registration desk **today**. Athletes who are not automatically selected but who would like to be considered for selection should tell the team managers before the end of January.

For Warwickshire: The first three eligible athletes to cross the line in each race will automatically be selected and then the remainder of the team will be chosen by the team managers. The County reserves the right to disregard any athlete, even if they qualify automatically, if they have been disrespectful to the County or its team managers in the past.

For Worcestershire: The first five eligible athletes to cross the line in each race will automatically be selected and then the remainder of the team will be chosen by the team managers.

Results

The official results will be posted on the County web sites afterwards.

PROSPECTUS & RULES

Age Groups

These Championships generally use the same age group definitions as the Birmingham (Men's) Invitation Cross Country League, the Midlands (Women's) Cross Country League and the West Midlands Young Athletes League.

Warwickshire Masters should be 35 or older on the day of competition.

Worcestershire Masters should be 40 or older on the day of competition.

Masters and U20s can enter their own age group or as a Senior but will only count towards the individual and team events as declared on the entry form.

Eligibility

Do not enter this event unless you are eligible for your County. County qualification is either by birth in the County, by 9 months continuous residence prior to competition in the County or by 9 months service in a unit of HM forces stationed in the County. The Counties are as defined before the 1974 boundary changes. Check with a County Secretary if you are not sure.

Warwickshire includes most of the Greater Birmingham area, Coventry, Solihull and the present Warwickshire areas.

Worcestershire takes in Stourbridge, Dudley, Oldbury and South Birmingham.

Rules

Athletes must be current first claim members of the Club for which they have entered.

Only Clubs Affiliated to their County will be eligible for team awards.

Any number of eligible Athletes can be entered.

The event is run under UKA rules. Athletes are reminded particularly of rule 144 which forbids pacing by persons not participating in a race unless assisting a blind or partially sighted runner.

Athletes must not wear any device which requires earphones because they must be able to hear instructions from technical officials and marshals.

In events where age groups are combined, athletes will only be eligible for awards in the race category (age group) for which they have entered.

In the case of equal team scores, the first team to cross will be declared the winner. Note that B-teams are not eligible for Team Awards as this is an event for Clubs.

Warwickshire or Worcestershire?

To help you identify the athletes from each County, athletes from **Worcestershire** will have a blue band on their vest numbers but Warwickshire athletes will not.

Course colour codes

To assist spectators and marshals athletes will have a colour code bar at the top of their race number corresponding to their race age group – see course map below.

U11Girls & Boys = grey; U13Girls & Boys = blue, U15Girls & Boys = green

U17Women / U20Women / Senior Women / Masters Women = no colour.

U17Men = orange. U20Men / Senior Men / Masters Men = red.
