**FORWARD and WELCOME
By Graham Heeley, President of Warwickshire County AA.
Welcome to our 2023 Cross Country Championships**

I welcome you all to this 100 acre park here at Warley Woods, be you Parents, Relatives, Athletes, Officials, Marshals and all others who have worked tirelessly to ensure the championships here today are as good as in previous events. The Park is designated of special interest, so we are all privileged to be here today.

Thanks must go to Worcestershire AA for hosting these championships today and many may recall we were here some two years ago. Warley Woods has over the years hosted many Cross Country events from schools' events to National Championships and it can be a challenging course depending how the clerk of course chooses to lay out the various laps. I, myself have competed over these courses on several occasions. Here I must appeal to you all, please take all you rubbish home with you or place it in the receptacles provided within the park, so we may be asked to come back on another occasion.

As always, these championships are a good guide to team managers when they select the teams to go forward to the UK CAU Championships in March. I can now confirm these are due to be held in Wollaton Park, Nottingham. The events at Nottingham will bring together all the top athletes from all over the UK in all ten age groups.

I thank all the Officials and Marshals and several other volunteers for giving up their time today and I appeal to all, the sport needs more volunteers in many roles to ensure these championships continue. If we do not get more volunteers and support on the Warwickshire Country AA committee then these championships and the Track & Field Championships will not be here for all the athletes to compete in next season. Unfortunately, this is fact not a promise.

We require a volunteer to undertake the roll as 'official's secretary' and this can be split into two, one for Track & Field and one for Endurance. We also need at least two volunteers to undertake the championship secretary role, so please see if you or your club can assist.

Finally, I wish all competitors the very best today but also please enjoy the occasion and competition.

Graham Heeley
President of Warwickshire AA.

Senior Men	10000m	14:00	15:15	See below
Masters Men	10000m	14:00	15:15	See below

Under 11,13 and Under 15 races will in effect run concurrently. At the finish runners will use the same funnels and the results system will separate the athletes into two races for the results.

**** The rules for the senior age groups are different for the two Counties.

Warwickshire: have separate individual and team awards for seniors and masters. The women count 3 and the men count 4 towards the team awards. Masters are 35 and over.

Worcestershire: have separate individual awards for seniors and masters but a team award for the combined age groups. The women count 3 and the men count 6 towards the team award. Masters are 40 and over.

TEAM SELECTION for INTER-COUNTY CHAMPIONSHIPS

Today's Championships are the principal criteria for selection to the Inter Counties Cross Country Championships (all age groups) to be held at Loughborough in March 2023.

If you are handed an invitation form at the finish, it is important that you fill it in and return it to the team manager handing them out or the registration desk **today**. Athletes who are not automatically selected but who would like to be considered for selection should tell the team managers before the end of January.

For Warwickshire: The first three eligible athletes to cross the line in each race will automatically be selected and then the remainder of the team will be chosen by the team managers. The County reserves the right to disregard any athlete, even if they qualify automatically, if they have been disrespectful to the County or its team managers in the past.

For Worcestershire: The first five eligible athletes to cross the line in each race will automatically be selected and then the remainder of the team will be chosen by the team managers.

PROSPECTUS & RULES

Age Groups

These Championships generally use the same age group definitions as the Birmingham (Mens) Invitation Cross Country League, the Midlands (Ladies) Cross Country League and the West Midlands Young Athletes League.

Warwickshire Masters should be 35 or older on the day of competition.

Worcestershire Masters should be 40 or older on the day of competition.

Masters and U20s can enter their own age group or as a Senior but will only count towards the individual and team events as declared on the entry form.

Eligibility

Do not enter this event unless you are eligible for your County. County qualification is either by birth in the County, by 9 months continuous residence prior to competition in the County or by 9 months service in a unit of HM forces stationed in the County. The Counties are as defined before the 1974 boundary changes. Check with a County Secretary if you are not sure.

Warwickshire includes most of the Greater Birmingham area, Coventry, Solihull and the present Warwickshire areas.

Worcestershire takes in Stourbridge, Dudley, Oldbury and South Birmingham.

Rules

Athletes must be current first claim members of the Club for which they have entered.

Only Clubs Affiliated to their County will be eligible for team awards.

Any number of eligible Athletes can be entered.

The event is run under UKA rules. Athletes are reminded particularly of rule 144 which forbids pacing by persons not participating in a race unless assisting a blind or partially sighted runner

Athletes must not wear any device which requires earphones because they must be able to hear instructions from technical officials and marshals.

In events where age groups are combined, athletes will only be eligible for awards in the race category (age group) for which they have entered.

In the case of equal team scores, the first team to close will be declared the winner. Note that B-teams are not eligible for Team Awards as this is an event for Clubs.

Warwickshire or Worcestershire?

To help you identify the athletes from each County, athletes from Worcestershire will have a blue band on their vest numbers but Warwickshire athletes will not.
