# PROPOSALS RECEIVED

Welcome to Warwickshire County Athletics Association

**PROPOSAL BY:  
RAY MORGAN**

Should the League recommend that races adopt the following "best practices"?

- 1) The Sphinx method of handling funnel blockages
- 2) Radios rather than mobile phones (so that all are aware of incidents)  
(WCAA has 20)
- 3) Parkrun watches (I have three)
- 4) bar coded bib numbers (I have two bar code readers)

It has never happened before but we were close this year - to having two teams tie at the top on points. What happens then? Should we clarify in the rules just in case?

Background: 2018 Balsall Common Fun Run was used as a trial event prior to formal application

Research: Research amongst WRRL members who took part was undertaken on the day and after the event  
Overall feedback very positive and supportive of the event's entry into the WRRL in 2019

Research results: 90% new to the event  
80% would definitely take part in the event again, 20% might  
90% would recommend to a friend, 10% might  
100% would support an application for the event to become part of the WRRL

## FINANCIAL STATEMENT

During the year we had income of £330, received from the race promoters fee - 11 events @ £30

Our only expenditure was on medals, trophies and engraving, which came to £155.16

The Treasurer proposes the promoters fee for the forthcoming year should remain unchanged at £30
