

Roll Of Honour

Volunteers who have served the Association in the past (and present)

The WCAA Committee is made up of these roles:-

The President

The Chair

The Treasurer

The Secretary

The Promotions Secretary (sometime the role is split into several for different events)

The Officials Secretary (sometimes this role is split into several for different disciplines)

The Trophies and Awards Secretary

The Team Managers Coordinator

The Endurance Secretary (particularly responsible now for the Warwickshire Road Race League)

The immediate past President is usually invited to meeting as a courtesy

The AGM elects Vice President(s) who are customarily promoted to President when the President steps down.

The Association has two Trustees who are copied on all meeting paperwork and eligible to attend if they so wish.

The following pages are the Associations "Roll of Honour" which lists the people who have held these posts, and others now redundant.
